VIA

Contemporary styling and high quality materials blend together perfectly to produce the attractive VIA8 range of pendant exit signs. Injection moulded parts help reduce weight and provide a distinctive sculptured appearance suitable for a wide variety of interiors and applications. VIA8 also benefits from a frameless modern design of legend panel that offers a maximum viewing distance of 24m. The long life LED strip provides an excellent uniform illumination of the legend comfortably meeting the requirements of EN1838. VIA8 has an LED source with a rated life of 50.000 hours ensuring reliable operation and minimising onsite maintenance costs

### Viewing Distance
